

# **MEXICO** IN THE GLOBAL FUTURE: 2050

BY TECNOLÓGICO DE MONTERREY & THE MILLENNIUM PROJECT

## ***Mexico in the Global Future***

The Millennium Project's Planning Committee will hold its 2017 meeting in Mexico City October 9-11 followed by a public conference Mexico in the Global Future. The MPPC meeting will review progress and set new priorities; and will be collaborating with the EGADE Business School of Tecnológico de Monterrey to produce a public conference on the global future and implications for Mexico right after the Millennium projects annual planning Committee meeting.
